PROPERTY COMMUNITY

PATENTS | TRADEMARKS | COPYRIGHTS | TRADE SECRETS

— 2018 —

Established in 1972, **Intellectual Property Owners Association (IPO)** is an international trade association for owners and others interested in **patents, trademarks, copyrights, and trade secrets**. IPO serves all intellectual property owners in all industries and all fields of technology.

IPO is led by a 50-member board of directors, which sets the association's policies. All Board members are corporate chief IP counsel who are elected to the board by the members of IPO. **More than 10,000 people worldwide** are involved in IPO through its diverse categories of membership.

MEMBERSHIP BENEFITS

COMMITTEES & NETWORKING MEETINGS

Cornerstone of the association

Members shape IPO's advocacy work, keep up to date on developments in their particular areas of practice, and develop strong relationships with those outside of their organization by participating in more than 30 committees.

The IPO Connect web portal allows members to share best practices and develop their skills.

Visit www.ipo.org/committees for a list of committees.

Building knowledge and relationships

IPO is the leader in high-level education for practitioners in all areas of IP law.

At the IPO Annual Meeting – **23-25 September 2018** – members will experience quality presentations and network with practitioners from around the world.

Weekly IP Chat Channel™ webinars are a great way to earn quality CLE from the comfort of your office.

Reduced registration rates and packages available for IPO members!

Visit www.ipo.org/calendar for a full listing of IPO events.

IP NEWS

For members

- *IPO Daily News*™ keeps members up to date on developments in legislation, regulations, and IP happenings worldwide.
- IPO's *Federal Circuit Summaries* rank and summarize the Court's precedential opinions.
- *IPO Corporate Monthly*™ summarizes recent news and upcoming opportunities that are exclusive to corporate members.
- *IPO Law Journal*™ provides an opportunity for members to publish articles and reports.

GLOBAL ADVOCACY

Promoting the interests of the IP owner

IPO advocates reforms to provide cost-effective and reliable intellectual property protection.

Current advocacy programs include:

- Section 101 patent subject matter eligibility
- High patent quality
- Patent law harmonization
- Patent enforcement reforms
- Anti-counterfeiting and piracy
- Trade secret misappropriation
- Amicus briefs
