What Sets IPO Apart from Other IP Associations?

As a worldwide trade association, our members are intellectual property owners in all industries and all fields of technology, plus hundreds of law firms. This means that your customers – and prospective customers – are IPO members. **IPO membership is the most cost-effective way to reach them.**

Connect with Hundreds of Companies and Law Firms

IPO is the premier cross-industry voice. It provides an extremely broad network of professionals to bounce ideas off and to learn from."

KRISH GUPTA,
DELL TECHNOLOGIES

IPO members collaborate and network year-round through a variety of programs. More than 13,000 attorneys worldwide are involved in IPO.

Committees and Resource Groups

IPO has dozens of active committees and resource groups working in key areas of IP law and practice.

Please see the last page for a list.

Actively participating in IPO committees can also lead to additional opportunities and connections; speakers and presenters for our conferences and webinars are selected from IPO's membership.

IPO Connect

This private online community, exclusively for IPO members, provides a forum for connecting with corporate and law firm leaders as part of IPO activities. It includes a member directory and resources for members to collaborate and support each other. IPO Connect is a great place for sharing your knowledge.

ENJOY FREE MARKETING AND ADVERTISING

• Enjoy Free Marketing and Advertising as Part of Your Membership

• IPO Daily News™

IPO Daily News™ (sent to 10,000 members each morning) concisely summarizes every precedential patent and trademark opinion issued for the U.S. Court of Appeals by the Federal Circuit, and provides updates on other important IP news, such as legislation, activities at the U.S. Patent and Trademark Office, and international development.

Two consecutive weeks of free advertising is included in your membership.

IP Service Provider Directory – ipo.org/ipsd

Reach key decision-makers who want and need your products and services through our online IP Service Directory. We encourage our corporate and law firm members to use this interactive resource throughout the year to support their fellow members. Only IPO Service Provider members are listed in the IP Service Directory.

A free listing in the directory is included in your membership.

Service Provider Member Badge

Members can show their support for the IP community by using the IPO Service Provider badge on their websites, in marketing materials, and as part of their e-mail signatures.

- There is no better place to meet potential clients than at an IPO event. IPO members are granted the exclusive opportunity to sponsor or exhibit. Contact Clara Stanfield, Sr. Manager of Meetings & Events, at meetings@ipo.org for more detail on marketing opportunities. Plus, your IPO membership saves you and your team hundreds of dollars in registration fees, often offsetting the cost of membership.
